

The Carlsberg Foundation Call for Applications 2019

Deadline: 1 October 2019 at 4pm

The Carlsberg Foundation supports excellent basic research at the highest international level in the fields of natural science, social science and the humanities, carried out by Danish researchers and foreign researchers with a pre-established connection to Danish research environments.

The Carlsberg Foundation gives high priority to groundbreaking new developments in Danish research as well as internationalisation of research talents and succession planning. In the evaluation of applications, the foundation will generally adopt a holistic view of the qualifications of the individual applicant and favour visionary research projects with a high potential.

To promote diversity in Danish research the Carlsberg Foundation encourages all qualified researchers to apply, regardless of gender.

The Carlsberg Foundation offers the following instruments:

- **Carlsberg Foundation Internationalisation Fellowships**
Two-year postdoctoral fellowships for outstanding PhDs to stay at a leading international research institution.
- **Carlsberg Foundation Visiting Fellowships at University of Oxford**
Two-year postdoctoral visiting fellowships at the University of Oxford. Applicants are encouraged to contact the Carlsberg Foundation for assistance to identify a suitable research group or environment for the project.
- **Carlsberg Foundation Reintegration Fellowships**
Two-year postdoctoral fellowships at Danish research institutions subsequent to a Carlsberg Foundation Internationalisation Fellowship or an otherwise funded research stay abroad.
- **Carlsberg Foundation Young Researcher Fellowships**
Grants for outstanding newly appointed associate professors or tenure-track assistant professors with international experience to establish an independent research group or research environment, including the acquisition of research infrastructure (equipment, register data, etc.) and the formation of national/international networks.
- **Carlsberg Foundation Monograph Fellowships**
One-year full-time fellowships for leading established researchers with a 'Semper Ardens' (passionate, always burning) approach to their research and with a project aimed at producing a ground-breaking monograph or doctoral dissertation.
- **Research Infrastructure**
Grants for equipment, register data, data base and field trips.
- **Publication**
Grants for the publication of monographs based on research supported by the Carlsberg Foundation.

Conference support grants are no longer included in the annual call but can be applied for throughout the year.

The Carlsberg Foundation does not support:

- Clinical and technical research
- Non-scientific staff
- Overhead costs

The Carlsberg Foundation brews knowledge for an enlightened future.
